

Out of the Dark

Call for submissions

Deadline: 6pm, Saturday 24 February

As a celebration of the UAE's vibrant photographic community, Tashkeel is hosting *Out of the Dark*, an exhibition of photography that demonstrates the creative potentials in all things analogue, from processing to alternative forms of printing and developing.

Tashkeel invites undergraduates and recent graduates resident in the UAE to submit photographs that embody the theme of analogue photography. The selected works will be exhibited in Tashkeel's gallery based in House 10 of Al Fahidi neighbourhood throughout Sikka 2018 along with a programme of workshops.

We're eager to demonstrate a cross section of analogue images and hope that *Out of the Dark* will demonstrate to the wider public the potential of this way of image making.
